**Notes :**

- 1 After review by the Audit Committee, the Board of Directors of the Company has approved the above results at their meeting held on April 23, 2018.
- 2 In respect of vessels other than the commercial vessels, including offshore support vessels, the Company accounts contract revenue and expenses based on the proportionate completion of contract method as certified by the technical experts. In order to evenly allocate the profit on the said contract to whole of the contract period, provision for proportionate cost to be incurred has been made and charged to statement of profit and loss as "Cost Estimated for Revenue Recognised", which will be adjusted to the statement of profit and loss as and when actual cost is incurred.
- 3 The company primarily is in the business of Ship Building and Ship Construction having state of the art infrastructure facilities including Dry Dock complex, Goliath Cranes, Fabrication facilities, Blasting and Painting Cell, etc, and is capable of undertaking complex and large size/volume of fabrication for varied industries.

The overall infrastructure facility required currently available with the company are nearly new and have long useful life. For last few years there is a downtrend in the shipbuilding industry globally. In defence sector also the process of awarding contract has been deferred in respect of many large orders for variety of reasons.

All these have resulted in temporary financial constraints on the Company, losses in the operations, erosion of net worth and calling back of loans by the secured lenders. Therefore company has approached its lenders for an appropriate Resolution Plan with the objective to make the operations of the Company viable and sustainable. The Company is engaged with the Lenders for Resolution Plan.

Considering the strength of the Company's world class infrastructure, business plans and future outlook as assessed, the management is quite confident to reach at some workable solution to resolve financial position of the Company and to continue as a going concern. The company is participating in several business opportunities both in and outside India, we are hopeful to get business in the coming years. Further, the promoters of the Company have supported company since management take over by them in January 2016 and will continue to do so in future in their capacity as promoters.

Pending such resolution and on considering the facts given in above Paras:

- a. Accounts have been prepared on going concern basis;
  - b. The company continued to account for deferred tax assets on losses, which will be available for set off against future profits in view of the anticipated orders and opportunities in the defence and non-defence sector and expected resolution with the secured Lenders and improved availability of working capital; and
  - c. No provision for impairment of Non-current assets have been considered necessary.
- 4 Exceptional Item for the year ended March 31, 2018 represent one time cost towards right of recompense payable to the lenders on exit from CDR.
  - 5 During the year ended March 31, 2018, the Company has allotted 13,84,994 Equity Shares having face value of Rs 10 each per share at a premium of Rs. 49.35 per share and 4,22,45,764 Compulsorily Redeemable Preference Shares having face value of Rs 10 each per share to one of its lenders against partial conversion of its outstanding debts.
  - 6 (a) The Company had issued a corporate guarantee for loan availed by Reliance Marine and Offshore Limited ("RMOL"), a wholly owned subsidiary from IFCI Limited ("IFCI"). During the year, IFCI has issued a loan recall notice and subsequently applied for the insolvency petition under the Insolvency and Bankruptcy Code 2016 due to continued default in repayment of principal and interest against RMOL and the Company. In response to the recall notice, the company and RMOL has requested to the lender to liquidate the securities available with them and has offered to settle the balance amount through promoters' support. The petition filed by the lender is not yet admitted by the NCLT. Accordingly, no provision against the above corporate guarantee is considered necessary at this stage.
  - 6 (b) The Company has submitted to the lenders its Resolution Plan for the outstanding secured debts which is under consideration. During the quarter the lenders have recalled all the loans and have invoked the shares pledged and guarantees available with them.
  - 7 The Company is engaged only in the business of Ship-building and repairs. As such, there are no separate reportable segments.
  - 8 The figures for the quarter ended March 31, 2018 and March 31, 2017 are the balancing figures between the audited figure in respect of full financial year and the published year to date figures up to the third quarter of the respective financial year. The figures for the previous periods and for the year ended March 31, 2017 have been regrouped and reclassified to make them comparable with those of current year.

**INDEPENDENT AUDITOR'S REPORT**

**TO THE BOARD OF DIRECTORS OF  
RELIANCE NAVAL AND ENGINEERING LIMITED  
(FORMERLY KNOWN AS RELIANCE DEFENCE AND ENGINEERING LIMITED)**

1. We have audited the accompanying Statement of Standalone Financial Results of **Reliance Naval And Engineering Limited** (Formerly Known As Reliance Defence And Engineering Limited) ("the Company") for the year ended 31<sup>st</sup> March 2018 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016.
2. The Statement, which is the responsibility of the Company's Management and approved by its Board of Directors, has been prepared on the basis of the related Standalone Ind AS Audited Financial Statements which are in accordance with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder, as applicable and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit.
3. We conducted our audit in accordance with the Standards of Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement. An audit includes examining, on a test basis, evidence supporting amounts disclosed in the Statement. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the significant accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4. We draw your attention to the:

a) Material Uncertainty Related to Going Concern

Note no. 3 to the statement regarding preparation of standalone financial results of the Company on going concern basis and also recognition of Deferred Tax Assets (DTA) on tax losses notwithstanding the fact that the Company has been incurring cash losses, its net worth has been substantially eroded as on 31<sup>st</sup> March, 2018, loans have been called back by secured lenders, current liabilities are substantially higher than current assets, applications have been made to National Company Law Tribunal (NCLT), Ahmedabad, under section 9 of the Insolvency Bankruptcy Code 2016 and winding up petitions been filed before Hon'ble Gujarat High Court for recovery of their dues by few operating creditors, for the reasons stated in the said note. The Company is also of the view that no impairment of its noncurrent assets is required. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern. The appropriateness of assumption of going concern, recognition of DTA and evaluation of recoverable value of its noncurrent assets is critically dependent upon the approval of Company's resolution plan by the secured lenders, the Company's ability to raise requisite finance / generate cash flows in future to meet its obligations and to earn profits in future.

b) Note no. 6(a) to the statement regarding applications under section 7 of the Insolvency and Bankruptcy Code, 2016 against the Company as a corporate guarantor for the loans taken by Reliance Marine and Offshore Limited (RMOL), a wholly owned subsidiary. The Management is of the view that the value of securities available in RMOL is sufficient to recover the outstanding dues of IFCI Limited. Accordingly, no provision against the claim under the invoked corporate guarantee is considered necessary.

Our opinion is not modified in respect of these matters.

5. Based on our audit conducted as above, in our opinion and to the best of our information and according to the explanations given to us, the statement:

i) is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular dated 5th July, 2016; and

- ii) gives a true and fair view in conformity with the aforesaid Ind AS and other accounting principles generally accepted in India of the net loss (financial performance including other comprehensive income) and other financial information of the Company for the year ended 31<sup>st</sup> March, 2018.
6. The Statement includes the results for the Quarter ended 31<sup>st</sup> March, 2018 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

2. The Statement, which is the responsibility of the Holding Company's Management and approved by the Board of Directors, has been prepared on the basis of the related Consolidated Audited Financial Statements which are in accordance with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued thereunder, as applicable and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit.
3. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement. An audit includes examining, on a test basis, evidence supporting amounts disclosed in the Statement. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the significant accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

5. We draw your attention to the:

a) Material Uncertainty Related to Going Concern

Note no. 3 to the statement regarding preparation of consolidated financial results of the Holding Company on going concern basis and also recognition of Deferred Tax Assets (DTA) on tax losses notwithstanding the fact that the Holding Company has been incurring cash losses, its net worth has been substantially eroded as on 31st March, 2018, loans have been called back by secured lenders, current liabilities are substantially higher than current assets, applications have been made to the National Company Law Tribunal (NCLT), Ahmedabad, under section 9 of the Insolvency Bankruptcy Code 2016 and winding up petitions been filed before Hon'ble Gujarat High Court for recovery of their dues by few operating creditors, for the reasons stated in the said note. The Holding Company is also of the view that no impairment of its noncurrent assets is required. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Holding Company's ability to continue as going concern. The appropriateness of assumption of going concern, recognition of DTA and evaluation of recoverable value of its noncurrent assets is critically dependent upon the approval of Holding Company's resolution plan by the secured lenders, the Holding Company's ability to raise requisite finance / generate cash flows in future to meet its obligations and to earn profits in future.

b) Note no. 6(a) to the statement regarding applications under section 7 of the Insolvency and Bankruptcy Code, 2016 against the Holding Company and Reliance Marine and Offshore Limited (RMOL), a wholly owned subsidiary for the loans taken by RMOL, by IFCI Limited ("IFCI") and applications yet to be admitted by the NCLT, Mumbai.
